Addiction Recovery for Women

Alcove Addiction Recovery for Women 98% of all money raised goes to charity.

A long term recovery program for women who are experiencing co-occurring issues including addiction, mental health distress and a history of abuse. Alcove is the only recovery residence in Calgary that allows mothers and children to remain together during the recovery process in a home-like setting.

What is the Peanut Butter Classic?

A “Ladies Only” charity golf tournament for women with passion: a passion to help and a passion to golf. Now in its 14th year, this event, run and organized entirely by volunteers, has raised more than \$1,547,000 to support programs for women and children in need. This remarkable achievement has been made possible with the help of our generous sponsors, golfers, volunteers and Calgary Firefighters.

Who is the Peanut Butter Classic Society?

A volunteer group of dynamic and dedicated women who are committed to the philosophy of “Women helping Women”.
